DETAILED ACTION

Allowable Subject Matter

Claims 1-22 allowed.

The following is an examiner's statement of reasons for allowance:

As to claims 1 and 11, the prior art of record, taken alone or in combination, fails to disclose or render obvious an architecture for the measurement of photomask optical path difference including: an interferometric beam processing module disposed to receive and divide light from a light source into a number of phase-coherent light beams, each of which passes through an aperture; an optical microscope is disposed to image the multitude of said apertures in said module with a given demagnification onto a photomask in order to create a multitude of phase probes; and a detector disposed to receive the transmitted *or* reflected fringe pattern caused by the interference of the multitude of said probes, in combination with the rest of the limitations of claims 1 and 11.

Art Unit: 2877

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
